The Dt. Magte of Shimoga has sent in his proposals for the constitution of Benches in ^{all} the taluks of his Dt except Nagar.

None of the gentlemen recommended has any judicial experience. Govt. have issued confidential instructions to the Dt. Magtes ^{where Benches have been constituted} of the several Dts to the effect that no Bench should be constituted without one who has had experience either as a Lawyer or as a judicial officer presiding over it.

The Dt. Magte of Shimoga proposes to empower the Bench to try cases of an ordinary nature such as simple hurt, assault, theft & also offences under the Village Sanitation Rules.

20/8
20/8 In the order regarding sanctioning the scheme of separation of judicial and executive functions, Govt have stated that they would establish Benches of Magistrates wherever it is possible to constitute such Benches. The Dt. Magistrates were requested to furnish information regarding the places where such courts might be established and also the names of gentlemen who might be appointed as Magistrates. In spite of repeated reminders, information has not been furnished by the Dt. Magistrate, Mysore.

27) The Scheme will come into effect from January in Shimoga & Bangalore Dis. The Bench Comt's may be established at least in these two Dis now, so that the parties may not be put to ^{the} inconvenience of travelling long distances in ~~such~~ petty cases of assault, theft, trespass. The Dist. Magistrate of Shimoga has recommended the establishment of a Comt. at each of the Taluk Head Quarters, and has proposed also the names of gentlemen whom he considers fit for appointment. He also suggests that the Bench may be invested with the powers of a 3rd class Mag^{te}, that only simple cases of theft, assault, trespass, breach of Sanitary Rules may be referred to them by the Sanitary Committee. The proposals may be accepted. They will involve additional expenditure as at least one clerk should maintain the registers, keep the records, ~~and~~ etc. Some furniture will also be necessary, and must have a place to hold the Comt. Perhaps ~~some~~ a small room in the Taluk Cutchery may be placed at their disposal.

28) In regard to Bangalore, the Dist. Magistrate recommends a Comt. at Channarayana. The reason for not recommending a Comt. at the Taluk Head Quarters is that the Amildar requires no relief.

40) Since the Secy's letter of 14th May 1918 was issued, the position has undergone some change on account of the orders of Govt regarding the separation of judicial & executive functions.

Serial

It is no longer a question of relief to Amildar Magtes; but it is one of necessity to have Benches of Magtes at all Taluk head-quarter stations, for the purpose of minimising some of the ~~con~~ inconveniences incidental to the separation scheme. Under that scheme, there will be only one 2nd Class Court for 3 or more Taluks & parties will be put to great trouble if they are to travel long distances for the trial of petty offences. As the D^r Magte of Shimoga puts it, the institution of Bench Courts will not merely save parties from some inconvenience but will also train the public in local self Govt. The institution of Bench Magtes is a Corollary - and a necessary Corollary - to the introduction of the separation scheme.

III. One objection raised by most of the D^r Magtes is that no suitable men can be found for sitting on the Benches. I am afraid this difficulty is somewhat ~~exaggerate~~ exaggerated. The trial of petty offences such as those referred to by the D^r Magte, Shimoga

S i r,

Adverting to your letter No. J. 4642-9/Cts. 213-17-2 dated 14th May 1918, calling for information regarding the proposal to establish Benches of Honorary Magistrates in important Taluks of this District, I have the honour to state that the difficulty in the formation of Benches in the Taluks of this District, is the absence of retired gentlemen who have exercised the powers of a Magistrate of whatever class, in order that the presiding gentleman may be conversant with the practice and procedure.

2. So far as my knowledge goes there are no places in this District where the existing courts require such relief.

3. As regards the Tumkur Town, there is already a Bench Court invested with 2nd Class ~~Magistrates~~ and also summary powers and the question of increasing its jurisdiction over the whole Taluk generally may be deferred. At present that court is actually trying such of the simple cases arising in the Taluk as are specially withdrawn from the Taluk Court and referred to it for disposal.

4. The other points in your letter require no reply in the foregoing circumstances.

I have the honour to be,

S i r,

Sir,

With reference to your letter No. J.4642-9/Qts.213-17-2 dated 14th May 1918 requesting me, to furnish Government with certain information regarding the constitution of Bench Courts at Taluk Head Quarters, I have the honour to state that from the report of the Sub Divisional Assistant Commissioner, Tarikere Sub Division, whom, I -- consulted in the matter and from the number of cases filed in the Courts of the Amildar Magistrates in this District, I am of opinion that the Criminal work in the taluks does not seem to be so heavy as to need any relief and there is also the difficulty of securing -- competent men for the purpose.

2. I am therefore of opinion that at present there -- does not appear to be any need for the establishment of Bench Courts at the Taluk Head Quarters in this District.

I have the honour to be,

Sir,

To,

Sir,

With reference to your letter No.J.4642-9/Cts.213-17-2 dated the 14th May 1918 calling for my opinion in the matter of establishing Benches of Honorary Magistrates in the important Taluks of the District, I have the honour to append hereto a statement showing the places where such Courts may be established together with the names of gentlemen who may be deemed fit for appointment under Section 14 of the Criminal Procedure Code as Special Magistrates.

2. These magistrates may be empowered to try cases of an ordinary nature such as:-

- (a) Simple hurt (Section 323 I.P.C.)
- (b) Simple assault (Section 352 I.P.C.)
- (c) Theft (Sections 379 and 380 I.P.C.)

and also offences under the Village Sanitation Rules arising within the local limits of the respective Taluks.

3. This arrangement is recommended more with a view to train the public in Local Self Government and in order to provide Third Class Magistrates' Courts at convenient Taluk Head Quarter Towns against the introduction of the Scheme of separation of Judicial and Executive functions than as a necessary relief to the existing Magistrates on

on account of any supposed heaviness of general work.

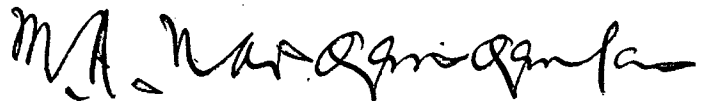

4. As the establishment of these Benches will relieve the Amildar Magistrates of the greater portion of their Criminal work and as moreover the Amildars are to be divested of all Criminal work from the 1st January 1919, the Judicial Munshies of the Taluk Offices may be attached to the Bench Magistrates' Courts, in addition to their work under the Amildar Magistrate.

5. I therefore recommend that the establishment of these institutions may kindly be sanctioned tentatively for a period of one year.

Sir,

In continuation of this office J.C.No.985 dated 29th June 1918 re - establishing Benches of Honorary Magistrates' Courts in more important Taluks of the District, I have the honor to forward herewith a copy of the letter No.9 under date 3rd/6th July 1918 received from the 1st class Magistrate, Closepet Sub-Division, and to state that the Sub-Division Magistrate reports that the Taluk of Chennapatna is the only place in his Sub-Division where the relief is needed on account of the heaviness of criminal work and suggests that a special Bench Court may be constituted in the Town of Chennapatna with Magistrates selected among the marginally noted gentlemen.

2. I am also returning the petition received from the people of Chennapatna received here with your No.J.5211/11-17-34 dated 28th June 1918. From this, the selection of Mr. Abdul Qudus does not appear to be agreeable to all there. In his place Mr. Syed Miranji Miah Sahib may be selected for the Bench.

 Bank at Channapattana & two other names
 by the local authorities, been selected and
 recommended for the approval of the
 Govt. for the post of Honorary Magistrate at
 Channapattana.

The authorities whom
 the selection was entrusted seem to have
 attached too importance on the matter
 that was meant by the Govt.

There are many professional
 & physically fit for the post, the selection of
 men who are quite ignorant of law is
 obvious & malicious.

It is a well known fact that
 Mr. Abdul Khadder is a sickly man &
 for him the business in Bank as an agent
 itself was too heavy such being the case
 the Govt. would not have been overburdened
 with an employment of Vice President.

There are, in this Town,
many many well to do English knowing

satisfactorily.

Therefore we beg
that the Selection should not be approved
because it has been carried out unsatis-

Sir,

With reference to your letter D2 Dis no 5 9-13-7-18 18-19 regarding the establishment of Bench magistrates' Courts at Taluk Hudegarthi, I am directed to state that since the passing of G. O No. J 4550-4600-Cb 312-12-1 of 10th May 1918 on the separation of Judicial and Executive

functions, ^{the establishment of benches - Should be considered} it is no longer a
a question of relief to
amildar magistrates, but as
one of necessity in order
to save parties from the
inconvenience of travelling
long distances. The Bench
may at first be furnished
with III class rooms
and only petty cases such
as ~~theft~~ simple larceny, assault,
~~theft~~ theft of a less serious
nature etc. may be referred
to them.

I am therefore, to request
you to recommend a few
names of gentlemen deemed
fit to be appointed as
Special Magistrates under
Section 14 of ^{the} Cr. P. Code at
each of the Taluk Head
Quarters in ^{The Bangalore} District.
The matter may kindly be treated as very
urgent. I have etc.

Sir,

With reference to your letter No J 4544 etc
213-17-1 dated the 5th May last, regarding the formation of
a Bench of Honorary Magistrates in the town of Kolar, I have
the honor to forward herewith, as desired, statements of
criminal cases ^{of the classes} noted in the margin of the letter under ad-
vertence, filed in the several Magisterial courts at Kolar
during each of the past 5 years, together with a list of
names of gentlemen residing in Kolar who can be thought of
appointment as Special Magistrates under section 14 of the
criminal procedure code.

2. From the statements of cases attached, it may be kindly
seen that the total number of cases brought to trial during
the 5 years, from 1912-13 to 1916-17 are 15, 37, 68, 108, and
84 respectively in the several courts in the head quarters of
Kolar.

3. The Statement of persons (enclosed) discloses that out
of the 8 persons proposed, one is a retired Head Munshi of a
Sub Division at Kolar, one is a retired Overseer of the P.W.D.,
one is a retired Police Jamadar, one is a retired Subedar
Major and the others are merchants. None of these persons ever
exercised Magisterial powers, and so far as I am informed, none
appears to possess at least a sufficient knowledge of criminal
law to be able to serve on the Bench and to act as Chair-man,
of whom we must have 2 or 3 to work by turns. Judging from the

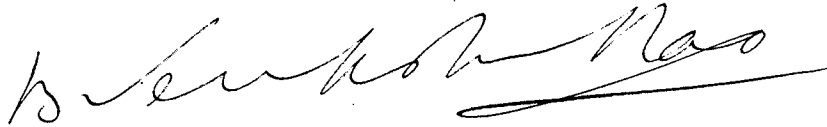

the general qualifications of persons that have been appointed honorary Magistrates in other head quarter towns, I feel that we have not got men of similar status here.

4. In the absence of men fairly conversant with criminal work, I think that the question of establishing a bench of Magistrates for Kolar town may for the present be deferred.

I have the honor to be,

Sir,

Your most obedient servant.

Chief Secretary to the Government of

His Highness the Maharaja of Mysore,

With reference to your letter No. J. 4642-9/Cts. 213-17-2
of 4th May 1918, requesting certain information regarding
establishment of Benches of Hon'ble Magistrates in more im-
portant taluks of this District, I have the honour to state that
the Division Officers who were consulted in the matter have
recommended the establishment of such courts in the marginally
important taluks with powers to try all simple cases of 3rd class,
within the limits of those taluks, the Amildar Magistrates
are empowered to take up only 2nd class cases; but have not yet
submitted lists of persons who are to be appointed as Magistrates
for the taluks of Hunsur, Nanjangud and Heggadadevanakote. (Reverse)

The present Sub Division Officer of French Rocks (Mr. K.V.
Raman) however supports the view of the present Amil-
dar of Seringapatam and Mandya that Bench Courts are not neces-
sary for Seringapatam and Mandya.

The Sub Division Officer of Malavalli has not yet furnish-
ed his report on the subject.

None of the Sub Division Officers have yet furnished in-
formation

information as to the accommodation available for the courts in case Government should establish Bench Courts in the places suggested.

I shall address Government later on receipt of complete information from the Sub Division Officers in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

To

C.S.Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No.G.5259/Cts.213-17-14 under date 12th September 1918 and subsequent reminder requesting me to recommend a few names of gentlemen deemed fit to be appointed as Special Magistrates of Bench Courts, under section 14 of the Criminal Procedure Code at each of the Taluk Head-quarters in the Bangalore District, excepting Bangalore Taluk, where it has been ordered to be unnecessary, vide., Government order No.G.10864-Cts. 213-17-22 dated 9th December 1918, I have the honor to append herewith a statement showing the names of such gentlemen as have been received from the two Sub-Division Officers of Closepet and Doddballapur, as desired in the above.

2. In respect of the lists of Magadi and Doddballapur Taluks some scrutiny was considered desirable with the result that I have made the necessary additions and alteration therein.
3. Here, I beg to state that the location of a Bench Court at Closepet appears to be unnecessary as a Special 2nd class Court is going to be established there, which will attend to the disposal of all the 2nd and 3rd class cases of that Sub-Taluk.
4. The Amildar Magistrate of Hoskote Taluk reports that there are no competent men in his Taluk to be appointed as Honorary Magistrates of the Bench Court there. So cases from that Taluk will have to be heard in Bangalore.

5. If my suggestion regarding Closepet meets with the approval of Government, I request that you will be so good as to omit the names of the gentlemen cited under the Closepet Sub-Taluk in the enclosed statement, and the names of the gentlemen appended, relating to other Taluks, may be published in the -- Gasette as early as practicable.

I have the honor to be,

Sir,

Your most obedient servant.

J. Kanyan Rao
Asst Commr in charge
District Magistrate,
Bangalore District.
